CONGRESS PROGRAM

Words of Welcome

Dear Colleagues,

It is great pleasure and honor to invite you to participate in the "EMU International Pharmaceutical Sciences Congress 2025 (IPSC 2025)", which will be hosted by the Faculty of Pharmacy, Eastern Mediterranean University, on May 14, 2025, in Famagusta, TRNC.

IPSC 2025 aims to gather a diverse group of international scientists, researchers, and students from pharmaceutical sciences and related disciplines. The congress will serve as an important international platform to discuss and exchange ideas on the latest developments, innovative concepts, and research progress in pharmaceutical and related disciplines. This event offers an exceptional opportunity to connect with leading experts in the field, share your own cutting-edge research, and build lasting professional relationships.

The program will feature highly technical sessions, with plenary presentations available both online and face to face. Participants will have the chance to present their work through oral or poster presentations, showcasing the latest advancements.

We are confident that your participation in EMU IPSC 2025 will contribute to the scientific success of the congress and offer an enriching experience, both professionally and socially. Attendees will have the opportunity to engage with colleagues all around the world while enjoying the unique charm and hospitality of Famagusta.

We sincerely look forward to welcoming you to EMU IPSC 2025 in May 2025, and we are excited about the opportunity to meet you in person.
